KLANSMEN PRESENT $100 TO MEETING

CONTRIBUTION IS MADE AT TABERNACLE LAST NIGHT.

REQUESTED PRAYER

Also Asked Arthur Hamilton to Sing Klansman's Song—Thirteen Masked Men in Group.

Thirteen masked and silent members of the Ku Klux Klan marched down the aisles of the tabernacle at the meeting last night, handed the Rev. R. E. Snodgrass a package containing a note and a song, contributed $100 to the meeting, and quietly left the tabernacle.

The Reverend Mr. Snodgrass was making announcements relative to future meetings at the tabernacle when the strange visitors entered and marched down the aisles. The audience was taken by surprise and thought perhaps it was a pre-arranged part of the services last night. They cheered and laughed.

As the members of the invisible empire neared the platform, cheering and other noise had ceased. By that time, the sixth sense told that it wasn't a part of the arranged program.

The thirteen members lined up in front of the platform and the leader of the strange guests handed the Rev. R. E. Snodgrass a note and a song. The note requested Arthur J. Hamilton to sing the enclosed song and the Rev. R. E. Snodgrass to lead in prayer.

Arthur Hamilton sang the song of the klansmen after which the Reverend Mr. Snodgrass gave a prayer asking that the masked organization be for the good of all the citizens and that all of its acts be Christian acts, sanctioned by righteousness.

All thirteen members of the invisible empire knelt as the prayer was being given. Upon its completion they arose and the leader of the group then told of the splendid work of the tabernacle services and expressed sympathy for the meetings. He handed the Reverend Mr. Snodgrass a letter wrapped around an envelope containing $100. The letter read as follows:

"To the leaders of the tabernacle meeting being held in Maryville, Mo. "Greetings:

"Please accept this token of appreciation of the principles advocated during the union meeting in your city, supporting and defending Christian civilization and progress which is our heritage.

"Our nation has accomplished more for the uplift of humanity and civilization in 150 years of Protestant government than has been accomplished by any nation, and to our God, our country, our homes and our fellowmen, we pledge ourselves.

"It is our prayer that those messages continue from every pulpit in the land to the effect that there will never be a time when men will be denied the right we have now to assemble and worship God according to the dictates of their conscience.

"Knights of the Ku Klux Klan."

After handing the note and contribution to the Christian Church minister, the masked klansmen silently left the building.

Miss Mary Deaver to Succeed Dr. W. F. Burris

Miss Mary F. Deaver, Cincinnati, Ohio, was elected superintendent of the Ensworth hospital by the Missouri Methodist Episcopal Hospital board. She succeeds Dr. William F. Burris who resigned.

Miss Deaver will assume her duties late in December. At present she is superintendent of nurses in Christ Methodist Episcopal church in Cincinnati. She has been in hospital work for twenty-five years, seventeen years of which she has been superintendent. Miss Deaver also will supervise the new Methodist hospital when it is opened.

Miss Helen Hankins, superintendent of nurses in the Ensworth hospital, is acting as superintendent until the arrival of Miss Deaver. Miss Hankins formerly was connected with the Bethel hospital in Colorado Springs, Colo.

Doctor Burris was named as district superintendent of the Methodist Episcopal hospital at the annual conference last fall. His time has been devoted to his new position.—St. Joseph Gazette.

Mrs. J. R. Lowry went to Clio, Ia., last Friday to spend several weeks with her parents, Mr. and Mrs. J. E. Scott.

Believe Rum Vessel Is American Owned

Washington, Nov. 26.—A belief among officials that the British rum schooner, Tomaka, seized off the New Jersey coast yesterday by United States customs officials was American owned, accounting for the apparent disregard of the principle of the three-mile limit in the pursuit and capture of the vessel, it was learned today.

Lack of Proper Home Training Causes Crimes

The Freshman-Junior girls' team of the High School which sold tags and buttons Saturday, "Dollar Donut Day" in the Salvation Army appeal for funds was awarded the prize offered by the Salvation Army.

The total amount collected by both the girls' teams Saturday was $257.73. The Freshman-Junior team reported a total of $147 and the Sophomore-Senior team $125.73. The Sophomore-Senior team was given a prize of $5 cash and the winning team has the choice of taking $10 in cash or a loving cup.

Miss Letta Peters, a freshman in the High School, was given the prize of $1.50 offered by T. F. Green for the largest individual amount collected of any of the girls soliciting Saturday.

The two teams decided today to take the money offered as prizes and apply it to the publication of the High School annual, the Maryvillian.

Hyde's Nephew Spends Night in K. C. Jail

But He Is Released When Police Learn His Identity—Reported He Was Intoxicated.

Kansas City, Nov. 26.—Court attaches and police expressed astonishment today when a youth, who had spent the night in jail, admitted he was Fred Hyde, nephew of Governor Arthur M. Hyde of Missouri.

Hyde was taken into custody last night by a patrolman who said he was intoxicated and unable to steer his motor car. The officer said the car was damaged as if it had been in a collision. Young Hyde was taken to a police station where he spent the night. He said that police did not permit him to call relatives.

Hyde was released. He is employed in the state grain inspection department.

D. F. Mitchell Dies at His Home in Skidmore

Funeral Services To Be Held At 2 O'Clock Tomorrow At Methodist Church In Skidmore

David F. Mitchell, 74 years old, a resident of Nodaway County for more than half a century, died about midnight Saturday at his home in Skidmore. He suffered a stroke of paralysis four years ago and had been failing in health since that time. He had been bedfast for the last four weeks. Funeral services will be held at 2 o'clock tomorrow afternoon at the Methodist Church in Skidmore. The pastor, the Rev. J. J. Cokely, will officiate and will be assisted by the Rev. Reuben Barrett. Burial will be in the Groves Cemetery.

Mr. Mitchell was born February 27, 1849, in Pike County, Ill. He came to Nodaway County in 1872 and located on a farm between Maryville and Skidmore where he lived for forty-one years. He moved to Maryville in 1913, and after a two year's residence here returned to Skidmore, which had been his home for the last eight years. On December 6, 1874, he was married to Mary Reynolds, who survives. They were the parents of four children, two of whom survive, Mrs. Vida James and Harry Mitchell of Skidmore. Other relatives surviving are seven grandchildren, one sister, Mrs. Martha Brown of Colorado; and two brothers, P. S. Mitchell and Jobe Mitchell of Nebraska. The latter returned to his home about a week ago after a visit with his brother in Skidmore. Mr. Mitchell joined the Methodist Church in early manhood and was an active member as long as his health permitted.

On St. Joseph Market.

A. B. Brown, W. E. Nichols, Jr., H. L. Baily, W. R. Groves, Yuba New, A. B. Wells & Co., Wells Bros., Twaddle & Bird, R. W. Barrett of Nodaway County, were shippers at local market Saturday with consignments of hogs.—St. Joseph Stock Yards Journal.

Mrs. John Porterfield of Jamesport, Mo., visited in Maryville last night between trains. She was en route home from a several months visit in Santa Ana, Cal., and Miss Mae Gannan, a student at the State Teachers College, accompanied her to Jamesport for the Thanksgiving holidays.

ST. JOSEPH CHOSEN FOR TITLE BATTLE

MARYVILLE AND MAYSVILLE TO BATTLE THANKSGIVING

GILES WILL OFFICIATE

Light Practice This Week For Ebert Machine—Spoofhounds Congratulated By Ex. Springs Supt.

The championship game for the high school football title of northwest Missouri will be played at St. Joseph on Turkey Day. On the League field there, the Maryville Spoofhounds and the powerful Maysville team will clash in the final game of the season for the much cherished honors. The game will be called at 2:30 o'clock.

L. E. Ziegler, superintendent and Harold G. Ebert, coach, have been conferring with the Maysville officials since Saturday morning and it was not until today that definite action was taken as to the grounds where the game should be played. Zeigler and Ebert were in St. Joseph Saturday and talked with the Maysville high school superintendent and coach who were in favor of having the title game either in St. Joseph or Maryville but the business men in the rival town were inclined to favor a neutral gridiron.

The field at St. Joseph will take care of all the loyal supporters of both teams and the city is about equal distance from both Maryville and Maysville. Giles, who is well known as a football referee was finally persuaded to officiate at the game although he had his mind set to see the Missouri-Kansas annual battle.

The Spoofhounds are rather stiff after the strenuous game with Excelsior Springs and the practice for this afternoon will consist only of running signal plays, according to Ebert this morning. He said that he was not going to give any hard scrimmage this week for fear of further injuries to his men. Epperson is suffering with a bad leg. Captain Ogden's shoulder is in as good shape now as it will be by Thursday. Otherwise the Maryville ball luggers are in good shape for the deciding game.

With the splendid showing the Spoofhounds have exhibited in the last three games and the fine spirit of co-operation existing among all members of the team, Coach Ebert is now awaiting for Thursday to roll around, but he says that he will not predict the results of the game either way. However, it is his opinion that the Maryville team, with its miniature line in comparison with the other opposing teams of the district, has a chance to win the Thanksgiving fray. Ebert says that Maysville has a powerful machine. It will be the toughest proposition that the locals have run up against this year.

Superintendent Ziegler received a letter this morning from W. S. Smith, superintendent of the Excelsior Springs school, in regard to the Maryville-Excelsior Springs game. Mr. Smith congratulates Ziegler on the Maryville team and says that Excelsior Springs was outplayed and that the Spoofhounds deserved the victory. He was amazed at the wonderful sportsmanship exhibited by Ebert's men and stated "that a team like yours deserves the Northwest Missouri Championship."

W. E. Goforth, local agent of the Burlington railroad, said this afternoon that if a sufficient number desired to go by train to St. Joseph to attend the game, he would get a special train leaving here about noon Thursday, arriving in St. Joseph in plenty of time for the game.

Missouri-Kansas Game By Radio

The Democrat-Forum will receive play-by-play account of the Missouri-Kansas football game at Lawrence, Kan., Thanksgiving through the courtesy of Harry C. Todd of the Hanamo Telephone Co. The game at Lawrence will commence at 2 o'clock but preceding the game there will be a concert. The game is to be broadcast by the Kansas City Star.

Returns from the State Teachers College and Targio College game at Tarkio and Maryville High School and Maysville High School game at St. Joseph will be received by The Democrat-Forum.

If you are not going out of the city Thanksgiving, come to the Democrat-Forum office and hear these returns.

Miss Vada Foland came last night from St. Joseph to spend a few days with her parents, Mr. and Mrs. E. O. Foland, 324 West Sixth street.

What's In a Name?

What's in a name? Some folks say that names mean nothing but Harve England, chief of police, relates an incident that proves the contrary:

This morning a transient, clothed as a laborer and termed by some as a "Flotter," approached a citizen of Maryville and desired a donation of sufficient amount with which he might purchase a breakfast. The Maryvillite told the transient he would see that he could be fed for exchange of work. Whereupon the stranger said "Who are you," and received the answer: "Garrett, is my name, I am Mayor of Maryville." And as Harve says, the stranger went to work on the streets with some hesitancy. The man worked an hour, got his breakfast and told one of the men with whom he was working: "To ——— with the work, I'm going to bum the rest of the way," and he was last seen traveling out of town.

PARNELL DEFEATS ROSENDALE 43-20

WINS GIRLS' CHAMPIONSHIP OF NORTHWEST MISSOURI.

LAMKIN PRESENTS CUP

Miller, Forward for Winners, Is Outstanding Star of Game—No All-Star Team Selected.

Parnell won the Northwest Missouri girls' outdoor basketball championship Saturday night by defeating Rosendale 43 to 20. The game was interesting although one-sided in the count. The Rosendale sextet put up a hard tussle. Miller, Parnell star forward, was the outsanding player on the court. Whenever the ball came into her possession she was almost sure to make a tally on account of her height which made her hard to guard.

The game started with Rosendale securing the first counter but was tied by Parnell within a few seconds when Miller looped the ball through the basket. Rosendale again added a counter only to be overhauled by Parnell. From then on Parnell took the lead which was never endangered despite the hard playing of the Rosendale players.

Dutton, at jumping center, played a fast game in the mid-section for Rosendale and was in every play. The Rosendale forwards were both good shots but were guarded closely by the two Parnell guards who never left an opening. Dutton was moved to guard in an attempt to stop the scoring of Miller but even then Miller continued to add to the Parnell score from time to time.

No all-star team was picked by the officials from the girls' tournament because there were so many of about the same caliber.

The cup for the championship team was presented to Miss Miller, captain of the Parnell team, by President Uel Lamkin of the College. President Lamkin complimented the girls on the fine sportsmanship spirit shown throughout the tournament, saying that it was not only for the purpose of picking the best basketball team that the tournament was held, but also to promote a friendly relation of the high schools of the district among themselves and with the local College.

The box score of the game was as follows:

WEDNESDAY TO BE 'WATERWORKS DAY'

CITY FIRE AND WATERWORKS PLANT OPEN FOR INSPECTION

PUTNAM WILL BE HERE

He and Doctor Fryer To Explain Use Of Chemicals In Purifying Water For Consumption

Wednesday of this week has been declared "Waterworks Day" by Mayor W. O. Garrett. On this day the Mayor wants everybody to take an afternoon off and visit the waterworks plant of the city and the city fire station. Everybody is invited to take a trip of inspection of these plants between the hours of 1:30 and 5 o'clock in the afternoon.

It has been the plan of the Mayor to have such a day since the plant has been remodeled and fixed up this fall and now since a representative of the State Health Board will be here, Mr. Garrett thought Wednesday to be an appropriate time for the people of the city to inspect the city's plants.

On Wednesday George W. Putnam of the State Health Board will be here. He, with Dr. C. P. Fryer, of the Nodaway County Health Department, will be at the city waterworks plant and will explain the filtering plant to all who may go there to make an inspection. Mr. Putnam comes here at intervals during the year to make an examination of the water that is used by the city in order to certify that the water is pure and is fit for drinking purposes.

Mr. Putnam will explain the use to which the chemicals are put which purify the water taken from the 102 River and then pumped up to the city to the water tower. Three different kinds of purifiers, lime, alum and hypo-chlorate of lime are made use of and the water treated before it is pumped to the city for consumption.

Mr. Putnam and Dr. Fryer will explain the process of treating the water and the results gained from such purifying.

Mayor W. O. Garrett announced this morning that he would like to see the citizens of the city get out to the waterworks plant and see for themselves what the city has. "The tax payers are the ones that should be interested, as they are the people to whom the plant belongs, and they ought to become acquainted with what the city is doing with their money to furnish pure water for the city," the mayor said.

"We are trying to keep the water in good shape," he continued," and we want everyone to see the plant and make honest criticisms and offer any constructive suggestion."

The city is now using between 280,000 and 300,000 gallons of water a day. It takes the services of J. W. Quails, the water superintendent, and Bert Hilsenbeck, the day man at the water plant, and George Liston, the night man, to keep the city furnished with a pure and adequate water supply.

The Chamber of Commerce will arrange for cars so that all who have no means of transportation to the water works plant east of the city may have means of getting back and forth from the city.

Liner Leviathan Makes a New Speed Record

New York, Nov. 26.—A trans-Atlantic speed record was made by the liner Leviathan, which arrived here today from South Hampton. The Leviathan made the 3,078 miles in five days, seven hours and twenty minutes, beating the old record by thirteen minutes.

Ed Cain Is Fined $5 in Police Court Today

Ed Cain was assessed a $5 fine and $5.65 costs in police court this afternoon on a charge of intoxication. The charges were brought against him by officer, Charles Partridge, who found Cain in a drunken condition on Thursday night of last week. He was brought up before Mayor W. O. Garrett about 1:30 o'clock today.

Attempt to Kill Ruler of Turkey and Wife

Sophia, Nov. 27—An attempt was made at Angora to kill Mustopha Kemal, head of the Turkish national government, and his young wife, by placing poison in their food, according to reports received here today. Both are said to be out of danger.

Search for Missing Man Following Wreck

Chandler, Mo., Nov. 26.—Search was being made today in a 100-ton pile of cinders scattered along the right-of-way of the Rock Island railroad, when nine of a string of railroad cars were derailed here, in the belief that a man was buried beneath.

The supposed victim was seen on the train by the crew shortly before the wreck, but could not be found afterward.

Local Debaters to Meet Harmony Team

Commission Manager Plan of Government Will Be Discussed—Will be Held Night of Dec. 14.

The high school debating team, consisting of Esther Roseberry and Edwyna Forsyth, will meet the Harmony team at Harmony the night of December 14.

The question to be discussed is, "Resolved, that the commission manager form of government should be adopted in every Missouri town of less than 100,000 population." The Maryville team will uphold the affirmative of the question.

The judges have not yet been selected. Miss Frances Holliday has charge of debating work at the high school.

Believe Radicals May Have Placed Bombs

Hand of Third Internationale Is Seen in Consulate Outrage in Philadelphia Saturday.

Philadelphia, Nov. 26.—Political factionists who brought old world enmities to this country are responsible for the bombing of the Spanish and Italian consulates here Saturday.

This is the opinion of police here today after a forty-eight-hour search for the dynamiters. Police see in the outrage the hand of the Third Internationale, waving defiance at the Mussolini government in Spain and Italy.

Police were planning today to further question a taxicab driver who reported one of six men, carrying a special looking package asked him the way to Spanish consulate Friday night. While talking, the man dropped the package, the driver said, and went immediately to his knees and recovered it.

Begin Hearing on Stock Exchange Case

Farmers Co-Operative Associations Allege That Old Line Commission Firms Discriminate Against Them

Kansas City, Nov. 26.—Initial hearing of the complaints made by the farmers co-operative associations that the methods employed by old-line companies operating on the local stockyards has boycotted the complainants, was opened here today before Chester Morrill, a representative of the United States Department of Agriculture.

The United Livestock Shippers Association and the Producers Commission Association, Inc., are making the complaint. Originally, there were three companies complaining, but the Farmers' Union Livestock Commission Co. has signed an agreement whereby a committee, consisting of representatives of the farmers organizations and the old line companies will regulate conditions at the stockyards.

$175 Prizes at 10th Ham and Bacon Show

Will Be Held At Columbia Farmers' Week January 14-18 At College Of Agriculture

The Tenth Annual Ham and Bacon Show will be held during Farmers' Week, January 14-18 at the College of Agriculture, University of Missouri at Columbia. M. F. Foster, superintendent of the Ham and Bacon Show has asked the co-operation of the county farm bureau agent, R. A. Kinnaird, and of the farm bureau members to make this show a success.

The State Board of Agriculture has allowed $175 in cash prizes and a trophy cup will be given to the county with the best exhibit. No entry fee is required. The only restriction is that all meat entered in the show must be cured on Missouri farms.

Leaves For California

Miss Clara Bellows, left Saturday afternoon for her home in Banning, Cal., after a two months' visit in Maryville with her brothers, C. D. Bellows and Fayette Bellows and their families. She was accompanied home by her niece, Miss Mary Jane Bellows, who will spend the winter in Banning.

Mr. and Mrs. James Newton, Jr., visited in Skidmore yesterday with the former's parents, Mr. and Mrs. James Newton, Sr.

TWO KNOWN DEAD IN MINE EXPLOSION

TERRIFIC BLAST OCCURS IN COAL SHAFT THIS MORNING

MANY SERIOUSLY INJURED

Eleven Hundred Miners Are At Work When Disaster Happens, But Blast Is In Remote Part

Benton, Ill., Nov. 27.—Two dead and eleven seriously injured was the toll of a terrific gas explosion at mine number one of the Chicago, Wilmington and Franklin Co., near here at 9 o'clock this morning.

Eleven hundred miners were in the mine when the explosion occurred and it was fared that a great many of them had perished.

The explosiion, however, occurred in a remote part of the mine where only a few men were at work.

The dead are:

I. B. Hamilton and Harry Oddle, both of West Frankfort. The injured miners weer rushed to a hospital in West Frankfort.

The explosion was on the 1000-foot level, and apparently took place simultaneously in two entries. The injured men escaped by dropping to the floor of one entry and crawling through the burning gas. They reported that other men were trapped and the report soon spread among the families of the miners that 500 men were entombed.

Hundreds of women and children from Benton, West Frankfort and Orient gathered about the mouth of the shaft and waited for the rescue teams to come up.

Among the rescue teams engaged in the relief work was the one from Christopher, Ill., which won first prize in the national contest last year at Salt Lake City.

In the absence of any official statement, rumors spread to the effect that the death toll was heavy.

One of the injured men brought out, gave the name of Frank Waite, who claimed he was imprisoned in the Cherry mine eight days after the fatal disaster in that mine in 1909.

Benton, Ill., Nov. 26.—Five men are known dead, ten seriously injured, and sixty more believed dead as the result of a terrific gas explosion at 9 o'clock this morning in mine number one of the Chicago, Wilmington and Franklin Coal Co., at Orient, Ill., seven miles from here, according to reports from the scene of the blast.

The Orient mine normally employs 1100 men, and is known as the largest mine in the world.

It has not been definitely established how many men were caught by the explosion, sixty being a conservative estimate, while several believe that from 500 to 1100 had been entombed by the explosion. Ten injured miners who were brought up declared they believed there were many dead.

Hundreds of men and women have gathered about the shaft, waiting silently for news.

Herrin, Ill., Nov. 26—The Herrin miners rescue team left here about noon today for mine number one of the Chicago, Wilmington and Franklin coal mine, where an explosion occurred.

Springfield, Ill., Nov. 26.—The state department of mines received advices from officials of the Chicago, Wilmington and Franklin Co., that fourteen miners were entombed today in the company's mine, following an explosion. No injuries were reported.

Benton, Ill., Nov. 26.—Eleven hundred miners are dead or facing death in mine number one of the Chicago, Wilmington and Franklin Coal Company at Orient, Ill., seven miles from here, as a result of an explosion, according to meager dispatches received here at 10:45 o'clock this morning.

Seven miners, badly hurt, have been removed from the mine, the report said. It is hoped the others may be soon rescued if they are not already dead. No details are available as to the cause of the explosion.

A mine rescue car from here has been ordered to the scene of the explosion. A score of men, said to be badly burned, have been taken from the shaft.

Immediately after the explosion, of-

OVERLAND CHAMPION GIVES FREE RIDES

Week Of November 22-29 Set Aside By All Willys-Overland Dealers

November 22-29 will be Champion Demonstration Week among Willys-Overland dealers, branches and distributors throughout the United States.

Willys-Overland, Inc., has set aside this period as a merchandising period when greatest stress would be laid upon this most versatile of all of its models, to mark the climax of the most successful year that Willys-Overland merchants have ever yet enjoyed.

For the first time since this new car was first announced early in October all of the 5000 dealers throughout the land have now been furnished with sample cars of this type. Factory production has been speeded up to such a point where it is adjudged to be nearly adequate to the demand. For the first time President John N. Willys and General Sales Manager L. G. Peed consider the circumstances in their dealer organization to be ripe for a universal effort to acquaint the motor car buying public with the many uses of this unique model.

Party Fight Brewing Over State Delegates

Harmony Meeting May Result In Split Between Dickey—Babler and Hyde

Jefferson City, Mo., November 26—So far as surface indications go, the Republican organization leaders and politicians did not proceed far with their harmony plans at the Republican meeting here Saturday. The occasion which brought them together was a joint meeting of the Republican State Committee and the Republican Editorial Association. Including eighty-five members of the Editorial Association, members of the men and women's state committees, visiting Republicans and Gov. Hyde's appointees, more than 200 were in attendance.

Unless there is much quick work performed by Republican party chieftains within the next few weeks there is likely to be a vigorous and probably bitter fight between the Hyde administration forces and the leaders of the Dickey-Babler faction over the personnel of delegates to the Republican National Convention and the election of a national committeeman to succeed Jacob L. Babler of St. Louis, who is expected to retire when his present term expires in 1924.

Both Factions Seek Control

While the leadership of the Republican party in Missouri is apparently for the nomination of President Coolidge for the presidency, there may be a brisk party tussle over the personnel of the delegates. Each faction, unless there is considerable compromising, will try to control the state and congressional district conventions, which will elect, respectively, the six delegates at large and thirty-two district delegates to the national convention.

Already there is some wire pulling reported to the Fourteenth Congressional District for election of the two delegates from that district. The same thing may be going on elsewhere in Missouri. Some steps were taken here looking toward the patching up of a truce between the state and old guard Republican forces, but not enough to warrant the belief that the Republicans of Missouri are not in for a bitter interparty row over the control of the state and district conventions and the election of a National Committeeman.

Homer Croy, Author, Is a Humorist

Homer Croy has told something about himself. Recently he admitted writing the anonymous story, "West of the Water Tower," which has been made into a Paramount picture with Glenn Hunter the star. Now he is admitting other things, says the Washington Star.

His first serious work, "West of the Water Tower," resulted in a general demand for information of a more personal nature, so he wrote to his publishers as follows:

"I have received your letter asking me to tell you something about myself. I am glad that I have so lived that I can do this. However, I don't know as it's going to help matters. I'd rather my readers thought I was some great and wonderful being with noble and godly ways instead of just an ordinary individual subject to cold in the head.

"But if you want to risk it here goes—I am forty years old. I am married and have two children—one of each. I hate to do chores around the house. The knob has been off our sitting room door since May. Last week I set up ambition to fix it, but could not find the screwdriver.

"What probably I hate to do worst of all is to carry up the ashes. I have two cans, and when they are full I throw the ashes against the wall. Then my wife comes down—the next morning I carry the cans out.

"I hate to wash the car, and at the garage in our town it costs $2. I promise my wife that I will wash it, then put it off until she is ashamed to ride in it. It always works.

"When we go visiting I always lean back in the wrong chair. I weigh close to 200. When company comes to see us I always crack the same jokes.

"I am a poor carver. I hate to carve worse than anything else I know. My ideal of a meat for company is liver, but we have it only when we are alone and eat in the kitchen.

Yours, etc., HOMER CROY."

Karras Wants a Bout Here with Barackman

Iowa Man Issues a Challenge—Wrestled For World Bros. Circus This Summer

Gust Karras of Keokuk, Ia., issues a chesty challenge to Mervin Barackman, the local mat artist, for a match at any time to be held in Maryville. Karras is a middleweight grappler and is one of the numerous contenders for the middleweight title who hos not lost a match for several years.

Karras, in his letter to the Democrat-Forum, states that he has been attempting to secure a match with Barackman for the last three months but on every issue Barackman has dodged him. He also states that he feels sure he can defeat the local mat idol in short order and feels that he should be given a chance to prove his statement.

Last week Karras won from Dick Beitle of Macomb, in twenty-two minutes with a fifty pound handicap in weight.

During the summer months Karras traveled with the World Bros. circus and met all comers. In a match at Bedford the week before the circus came to Maryville Karras met Barackman and after ten minutes wrestling threw Barackman out of the ring. However, Barackman came back strong and at the end of the fifteen minute period Karras lost the forfeit money for failure to throw Barackman in that short time.

Barackman also met the man in Maryville without either man gaining an advantage in the fifteen minute period. It is on this record that Karras contends he should be given an opportunity for a finish match.

Karras is therefore issuing a challenge through this paper.

Mrs. Emma DeMoss and daughter, Elizabeth, will go to Guilford Wednesday to spend Thanksgiving with the former's sisters, Mrs. J. A. McLean, Mrs. Carl Wray and Mrs. Eunice Parr.

Miss Elizabeth Ashford and Miss Margaret Lee Winston went to Kansas City this morning on business. They will return home tonight.

107 Legislators Favor Auto Levy

Responsibility Now Rests With Hyde To Call Assembly To Speed Up Program

St. Louis, Nov. 26—One hundred and seven of the 184 members of the Missouri general assembly have declared themselves in favor of enacting a 50 per cent increase in the state automobile tax, if a special session is held, according to officials of the Automobile Club of Missouri here last night. The organization has received replies to its questionnaire asking the stand of the solons from 28 members of the senate, 16 of whom reported favorably and 5, favorable but with reservations. Seven of the eight members of the special senate roads committee have voted favorably, the club announced.

Favorable replies have been received from a plurality of the house members, it was added, 105 having reported, 67 favorably, 19 favorably but with reservations and the balance announcing their opposition. The house has now 148 members, one having died and another being disqualified.

"With a plurality of both houses standing favorably on the increased tax, it seems to leave the matter entirely up the Governor Hyde," officials of the club said tonight. "The governor has expressed the fear that a long session might result, and that would be too costly for the state to bear in its present financial condition, but inasmuch as the legislators have already pledged themselves to work as rapidly as possible, little now seems to hinder an early call for a special session and the rapid enactment of the needed legislation," it was added.

Miss Hazel Clark and Miss Goldya Pope will leave Wednesday evening for Lawrence, Kan., to attend the Missouri-Kansas football game Thanksgiving.

CAR DEAD, NO GAS, EDITORS WALK TWELVE MILES.

Postmaster Fred Harrison, noted as one of Daviess County's most versatile young men, has added another accomplishment to his list. He has now been declared champion walker of the county.

"F. M." had been to Chillicothe to watch a large class of candidates walk the hot sands into the Shrine. He became so enthusiastic over this mode of travel that as he was returning to Gallatin early the next morning with John Stapel, editor of the Rock Port Mail, he decided, when the car stopped for lack of gas about twelve miles from Gallatin, that it would be nice to walk on into town.

They walked and walked, from 3 o'clock until 7, getting here in time for breakfast.

Harrison says the fault lay with Stapel for not having enough gas. Stapel says he had the gas but that they got off the road. Harrison declares they were not off the road, but both insisted they had an enjoyable time at the Shrine meeting.—Gallatin North Missourian.

Fine aluminum in every package of Mother's Oats (Aluminum Brand)

Perhaps it will be a convenient long-handled ladle, a soup strainer, or a fancy pudding mould. Or a handsome salt or sugar shaker—it's lots of fun to open a package and see.

It will be something you need and use every day—a piece of necessary table or kitchen ware made from finest aluminum, which our new plan allows us to offer you.

These kitchen luxuries would be expensive if bought separately, and many women feel they can't afford them. Get Mother's Oats and you'll find one in every package. And very soon you will have a convenient assortment.

A few of the 36 pieces of Aluminum in Mother's Oats packages.

The favorite breakfast

Mother's Oats are made from the plump, rich-flavored grains of which there are only about ten pounds of flakes to a bushel. These plump, rich-flavored grains are crushed to bring out the delicious oat flavor.

They make the old-fashioned, appetizing, strengthening porridge that everybody loves for breakfast. So you want Mother's Oats for two reasons—for their quality and to get the fine aluminum ware every woman needs and uses every day. Ask for Mother's *Aluminum* Brand.

Not Much Change in Hog Market

Hogs Rebound After Threatening to Establish New Low Level.

Hogs have rebounded after threatening to establish new low levels for the season but nothing like robustness has developed in the market. The disposition on the part of the country to cut loose has not yet been arrested and as long as producers keep the market hoppers full there is apparently little chance for prices to make any pronounced advance.

There are those in the trade, however, who expect the flood of hogs to subside. They point to the recent stock hog report of the government as rather bullish. This report indicated a September supply in the country only .3 of 1 per cent larger than on the corresponding date in 1922. To counterbalance this nominal increase, there has been a marked increase in hog receipts at all primary points since Sept. 1 which tends to indicate that the present supply of hogs in the country is lighter than a year ago.

Fewer Hogs in Country?

A Chicago provision expert, in analyzing the government figures says: "While the number of stock hogs is estimated at .3 of 1 per cent larger than for 1922 for the whole country, for the cornbelt states the number on Sept. 1 was 4.3 per cent larger. The hog surplus this year is in the corn states, just as it was a year ago, with a shortage in the south more pronounced than last fall. During September and October the principal packing points in the west received 1,500,000 more hogs than for the same period last year and this to a great extent, might absorb the 4.3 per cent more hogs officially reported in the surplus corn states and would indicate that that this unusual hog movement since Sept. 1 has brought total supplies on farms below those of last year at this time."

Not only is there a sentiment that hogs will not be as numerous in the next two or three months as during the last three but statistics on consumption of pork and pork products are more or less encouraging. According to official government figures total stocks of pork on Nov. 1 were 505,055,000 pounds, a decrease of 108,088,000 pounds in storge in the United States compared with Oct. 1. Eleven markets in October received 865,000 more hogs than in October, 1922, a gain of approximately 173,000,000 pounds more pork on the hoof. Despite this in crease in slaughtering stocks of lard decreased by 108,055,000 pounds and lard stocks decreased 35,119,000 pounds, a combined loss of 143,217,000 pounds of swine products.

TURN HAIR DARK WITH SAGE TEA

If Mixed with Sulphur It Darkens So Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

Action Taken by Board of Control

The St. Joseph Gazette Saturday had the following about the action taken by the board of control of the Northwest Missouri association Wednesday:

If the action taken by the board of control of the Northwest Missouri association Wednesday in suspending Berl Bryan, halfback of the Princeton high eleven because he played baseball last summer with salaried players, is to be carried out in such a strict manner in all complaints, athletics of this section of the state is going to be greatly shaken up. Bryan claims he did not receive any money for participating, but it is well known that several of his mates did, thereby making Bryan professional too.

On that same baseball team of which Bryan was a member was a player who is this season going great with one of the big Missouri Valley conference elevens. The same rules that apply to Bryan probably would cause the Missouri valley player's disbarment, too.

Fifty per cent of the athletes of today work their way through school. Nearly all of that class officiate in some branch of sports, play ball during the summer months. Fellows of that standing would not get an education but for their athletic ability and as long as their offenses are not rank and outstanding, they seldom are probed, unless there is a bit of enmity or jealously in the case.

In the Bryan case present members of the board of control are not to blame for the verdict they handed down. They merely had to judge by the laws of their association and the evidence presented to them. The only way to correct the weakness—as it certainly is just that—is to change the rule clause.

Mrs. H. B. Torrance went to Kansas City yesterday morning to visit until after Thanksgiving.

JOY OF HEALTH WOMAN'S RIGHT

Mrs. Evans Freed from Female Weakness by Lydia E. Pinkham's Vegetable Compound

Detroit, Michigan.—"I had female weakness with pains in my back, and I could not stand on my feet for any length of time. I was working in a factory but had to quit as I was too much on my feet. A friend recommended Lydia E. Pinkham's Vegetable Compound to me, and I can hardly believe it myself that I am well. Oh, it is a grand thing to have your health! I feel well all the time and can go out like other women and not feel that awful torture. When I took your medicine first I thought it should cure after the first bottle, but I am glad my husband kept me at it. I have had nine bottles and now I am well."—Mrs. JENNY EVANS, 1604 Lafayette Blvd., Detroit, Michigan.

If you are suffering from displacements, irregularities, backache, nervousness or other forms of female weakness, you should take Lydia E. Pinkham's Vegetable Compound.

The reason is given in letters like these, and we have published thousands of them. You may expect that a medicine that has helped other women will help you. Try it.

C. C. Corwin left this morning for Chicago to spend a few days on business.

LACK OF HOME TRAINING IS CAUSE OF CRIMES

Kansas City, Nov. 27—Youthful crimes have made the United States the most notrious of all nations for law violation, Judge W. C. Harris of Emporia, Kan., president of the Kansas state bar association, declared in an address here today at the opening of the annual convention of the association.

The American home is to blame, Judge Harris added. Seventy-five per cent of the crimes of today are committed by boys les sthan 25 years old, a majority under 21—and a lack of proper home training is to blame, Judge Harris said.

Mr. and Mrs. W. A. James and family of Skidmore were Maryville visitors today.

Robert Larmer returned last night from Des Moines where he had been visiting since last Tuesday.
